

TIR TARP

The TIR Tarp effectively protects users or equipment from being detected by light-enhancing and thermal imaging lenses. The material has areas with different levels of reflectance to blend into the surrounding environment. The tarp also has good properties such as durability, low weight, breathability, and is easy to pack.

FUNCTIONS

- 2.90 x 2 meters
- Edge tape and loops at the outer edge for flexible fastening
- THERMAL INFRARED (TIR) NIR SWIR wavelength, approx. 0.75 – 20 Micron
- MWIR (3-8 µm), LWIR (8-15 µm), and FIR (sub band 15-20 µm).

FACTS

Article no.	203224524
Sizes	One size
Colors	16MA TMTP® MA Multi Terrain Pattern
Material	Fabric: 100% polyamide
Other	Weight : 1040 g

WASHING INSTRUCTIONS
